16. APRIL

A graphic design featuring a dark navy blue background. In the center, the date "16. APRIL" is written in a large, bold, white, sans-serif font. Above the date, the words "SAVE THE DATE" are written in a smaller, white, all-caps, sans-serif font. The text is oriented diagonally, sloping upwards from left to right. There are four small, solid gold circular dots positioned at the intersections of the text's diagonal lines and the horizontal and vertical lines of the date text. The overall design is clean and modern, with a touch of luxury from the gold dots.
